

WARNING!

DO NOT FEED SEA LIONS!

Did you know that feeding sea lions is hazardous to:

Your health and safety? A fed sea lion can become aggressive and bite.

© ADFG, NMFS permit no. 14325

Your catch? A fed sea lion will follow your boat and steal your fish.

© ADFG, NMFS permit no. 14325

Your wallet? If you feed, be prepared to pay! It is illegal to feed sea lions. Violators are subject to civil and criminal penalties under the federal Marine Mammal Protection Act.

The life of the sea lion and its young? A fed sea lion can become a dead sea lion.
