# HOW TO OBTAIN CERTIFICATE FROM REGISTERED PRODUCT

“Request a Certificate” from the left hand menu

- ❖ Will this request use previously registered products?

**YES** leads to workflow designed to issue certification based off registered product

**NO** leads to existing certification workflow

The screenshot shows the NOAA Seafood Inspection Program (SIP) web application interface. At the top, the NOAA logo and "SEAFOOD INSPECTION PROGRAM" are displayed, along with the text "NATIONAL OCEANIC AND ATMOSPHERIC ADMINISTRATION". The release version is "5.11.0.0". Navigation links for "SIP Home" and "Contact SIP" are in the top right. A left-hand menu lists various options: Home, Request a Certificate, Register Product, Request an Inspection, My Requests, Manage Locations, Manage Consignees, View Invoices & Payments, Manage Users, Change Password, and Log Out. The main content area is titled "PRODUCT FOR EXPORT?/USE REGISTERED PRODUCTS?". It contains two questions with radio button options: "Product for Export? : \*" (Yes/No) and "Will this request use previously registered products?: \*" (Yes/No). A large green question mark icon is positioned to the right of these questions. "Cancel" and "Next" buttons are located at the bottom of the form area. A red warning message at the bottom states: "Warning - due to security reasons, you will be automatically logged out after 30 minutes of inactivity. Activity is when you change screens. Entering data is not considered activity. Please save your work."

# DESCRIPTION OF FISHERY PRODUCTS

Access previously registered product via

- 1) Drop down of users registrations
- 2) Entering the ID number of a registration that has been shared with you

Drop down fields will contain the information from the registration selected.

Multiple registered products can be added to one cert

The screenshot shows a web form titled "DESCRIPTION OF FISHERY/AQUACULTURE PRODUCTS". It is divided into two main sections: "My Registrations" and "Other Shared Registrations".

**My Registrations:** A dropdown menu shows "1539783073429:Demo 2". Below it are dropdowns for "Species" (POLLOCK PACIFIC), "Type Code" (FROZEN), "Intermediate Code" (a blue bar), and "CFN or FEI number" (a blue bar).

**Other Shared Registrations:** An empty text input field and an "Add" button.

Below these are dropdowns for "Expanded Common Name" (Walleye Pollock), "End Product Code" (a blue bar), and a note: "The Product, Product Presentation, and Nature of Commodity fields may be modified by the user".

A table-like structure follows with labels on the left and input fields on the right:

Product**	
Product Presentation**	
Scientific Name	THERAGRA CHALCOGRAMMA (RFE)
Nature of Commodity**	
Treatment Type	FROZEN
HS Code**	
HS Code Description	

At the bottom, a note states: "NOTE: Starting January 1, 2017, the HS Code tables have been revised. Please ensure the correct HS code matches your product. For a complete list of HS Codes, [CLICK HERE](#)".

Green arrows point to the "My Registrations" dropdown, the "Species" dropdown, the "Expanded Common Name" dropdown, the "Intermediate Code" dropdown, and the "Nature of Commodity" field.
