Appeal No. 10-0098

ORDER DENYING
MOTION for
RECONSIDERATION

On March 15, 2011, the undersigned issued the Decision in this appeal. On March 24, 2011, Appellant timely filed a Motion for Reconsideration.

The National Appeals Office (NAO) policy provides that a motion for reconsideration must state material matters of law or fact that the appellant believes the Administrative Judge misunderstood or overlooked and must contain an argument, or points and authorities, in support thereof.¹ I have carefully reviewed the Decision in this case and Appellant's Motion for Reconsideration. I conclude that the Decision does not contain material errors of law or fact. Accordingly, I deny Appellant's Motion for Reconsideration.

The new effective date of the Decision is April 28, 2011 subject to the Regional Administrator's review.²
