

# Dried Seafood Products Sold at Singapore Market #2

2-1 Singapore retail dried seafood store. Fish are weighed and placed in a heat sealed bag for the customer.

2-2 Dried pollock, squid, and fish surrounded by dried abalone.

2-3 Packaged dried abalone.

2-4 Re-drying shrimp on sidewalks. Dried fish sometimes reabsorbs moisture during shipment. It must be dry or it will mold and lose shelf life.

2-5 Dried fish from Malaysia and Indonesia.

2-6 A dried Asian fish believed to be mackerel.

2-7 Warm water sea cucumbers from Australia.
