

MAFAC Seafood Certification Recommendations -- Open for Public Comment

March 17, 2014 -- NOAA Fisheries invites the public to comment on the Marine Fisheries Advisory Committee's (MAFAC) recommendation about the appropriate role of NOAA in sustainable seafood certification. Comments should be sent by e-mail to: nmfspolicy@noaa.gov. The due date has been extended to May 28, 2014. For more information and to read the recommendation, please link [here](#).
