

STOCK ASSESSMENT AND FISHERY EVALUATION (SAFE) REPORT FOR

ATLANTIC HIGHLY MIGRATORY SPECIES

2010

DEPARTMENT OF COMMERCE
National Oceanic and Atmospheric Administration
National Marine Fisheries Service

Stock Assessment and Fishery Evaluation (SAFE)
Report for

Atlantic Highly Migratory Species
2010

Highly Migratory Species Management Division
Office of Sustainable Fisheries
National Marine Fisheries Service
1315 East-West Highway
Silver Spring, Maryland 20910

CONTACT INFORMATION

Documentation Requests:

This document is available at the following internet address:
http://www.nmfs.noaa.gov/sfa/hms/hmsdocument_files/SAFEreports.htm. All documents cited in the SAFE report, as well as additional hard copies of the report, are available from the following address:

Highly Migratory Species Management Division
NMFS/NOAA
1315 East-West Highway
National Marine Fisheries Service
Silver Spring, MD 20910
Phone: (301) 713-2347
Fax: (301) 713-1917

Dealer Permits:

Tuna dealer permits are issued out of the Northeast Regional Office of NOAA Fisheries (978-281-9370), and shark and swordfish dealer permits are issued out of the Southeast Regional Office of NOAA Fisheries (727-824-5326).

The HMS International Trade Permit (ITP) is required for importers, exporters, and re-exporters of Atlantic bluefin tuna, Southern bluefin tuna, Pacific bluefin tuna, frozen bigeye tuna, swordfish, and shark fins. ITPs are issued out of the Southeast Regional Office of NOAA Fisheries at <http://sero.nmfs.noaa.gov/permits/permits.htm> (727-824-5326).

Charter/Headboat Permits, Atlantic Tuna Permits & Recreational HMS Vessel Permits:

Charter/Headboat Permits, Atlantic Tuna Permits & Recreational HMS Vessel Permits are issued via the internet (www.hmspermits.gov) or through a toll free automated telephone system (888) 872-8862). Questions regarding these permits should be directed to Customer Service at (888) 872-8862, Monday through Friday, from 8 a.m. to 5 p.m. Eastern Time. Fishermen may also listen to or view updates to the regulations via this toll-free automated telephone system or at the website listed above.

Atlantic Shark, Swordfish, and Tuna Longline Vessel Permits:

Questions regarding renewals or transfers of shark, swordfish, and tuna longline limited access permits should be directed to the NOAA Fisheries Southeast Regional Office (727-824-5326).

Table of Contents

1.0	Introduction.....	1
1.1	Summary and Update on HMS Management Division Activities and Regulatory Actions In 2010.....	1
1.2	2010 Accomplishments of the International Commission for the Conservation of Atlantic Tunas (ICCAT).....	10
1.3	Existing State Regulations	14
2.0	Status of the Stocks.....	26
2.1	Stock Assessment Details	30
2.1.1	Western Atlantic Bluefin tuna	30
2.1.2	Atlantic Bigeye Tuna	30
2.1.3	Atlantic Yellowfin Tuna	30
2.1.4	North Atlantic Albacore Tuna	30
2.1.5	West Atlantic Skipjack Tuna	30
2.1.6	North Atlantic Swordfish.....	30
2.1.7	South Atlantic Swordfish.....	30
2.1.8	Blue Marlin	30
2.1.9	White Marlin.....	30
2.1.10	West Atlantic Sailfish.....	30
2.1.11	Spearfish.....	31
2.1.12	LCS Complex	31
2.1.13	Sandbar.....	31
2.1.14	Gulf of Mexico Blacktip	31
2.1.15	Atlantic Blacktip	31
2.1.16	Dusky Sharks.....	31
2.1.17	SCS Complex	31
2.1.18	Bonnethead Sharks.....	31
2.1.19	Atlantic Sharpnose Sharks	31
2.1.20	Blacknose Sharks	31
2.1.21	Finetooth Sharks.....	32
2.1.22	Northwest Atlantic Porbeagle Sharks	32
2.1.23	North Atlantic Blue Sharks	32
2.1.24	North Atlantic Shortfin Mako Sharks	32
3.0	ESSENTIAL FISH HABITAT	34
3.1	Designations in the Consolidated Atlantic Highly Migratory Species Fishery Management Plan and its Amendments.....	34
3.2	Shark Nursery Grounds and Essential Fish Habitat Studies.....	36
4.0	Fishery Data Update	42
4.1	Pelagic Longline (PLL) Fishery.....	44
4.1.1	Current Management	44
4.1.2	Recent Catch and Landings	51
4.1.3	International Issues and Catch	61
4.2	Purse Seine.....	68
4.2.1	Current Management	68

4.2.2	Recent Catch and Landings	69
4.2.3	International Issues and Catch	70
4.3	Commercial Handgear	71
4.3.1	Current Management	71
4.3.2	Recent Catch and Landings	73
4.4	Recreational Handgear	77
4.4.1	Current Management	77
4.4.2	Recent Catch, Landings and Bycatch	78
4.4.3	Code of Angling Ethics.....	86
4.4.4	International Issues and Catch	89
4.5	Bottom Longline (BLL).....	90
4.5.1	Current Management	90
4.5.2	Recent Catch, Landings, and Discards	91
4.5.3	Bottom Longline Bycatch.....	95
4.6	Gillnet Fishery	96
4.6.1	Current Management	97
4.6.2	Recent Shark Catch, Landings, and Discards	97
4.7	Buoy Gear	104
4.7.1	Domestic History and Current Management	104
4.7.2	Recent Catch, Landings, and Discards	105
4.8	Green-Stick Gear	106
4.8.1	Current Management	106
4.8.2	Recent Catch and Landings	108
4.9	Safety Issues.....	109
4.10	Fishery Data: Landings by Species.....	112
5.0	Economic Status of HMS Fisheries	126
5.1	Commercial Fisheries	126
5.1.1	Ex-Vessel Prices	127
5.1.2	Revenues	129
5.1.3	Operating Costs.....	132
5.2	Fish Processing and Wholesale Sectors	133
5.2.1	Dealers	133
5.2.2	Processing Sector	134
5.3	International Trade.....	135
5.3.1	Overview of International Trade for Atlantic HMS	135
5.3.2	U.S. Exports of HMS	139
5.3.3	The Use of Trade Data for Management Purposes.....	154
5.4	Recreational Fisheries	156
5.4.1	Recreational Angling	156
5.4.2	Atlantic HMS Tournaments.....	157
5.4.3	Atlantic HMS Charter and Party Boat Operations.....	159
6.0	Community Profiles	162
6.1	Introduction.....	162
6.2	Methodology	164
6.2.1	Previous community profiles and assessments	164
6.2.2	Community Impacts from Hurricanes	165

6.2.3	Community Impacts from 2010 Deepwater Horizon/BP Oil Spill.	166
6.3	United States Demographic Profile	166
6.4	State and Community Profiles	166
7.0	Bycatch, Incidental Catch, and Protected Species	169
7.1	Bycatch Reduction and the Magnuson-Stevens Act	169
7.1.1	Standardized Reporting of Bycatch	171
7.2	Bycatch Reduction in HMS Fisheries	175
7.2.1	Evaluation and Monitoring of Bycatch	175
7.2.2	Bycatch Mortality	179
7.3	Protected Species Interactions in HMS Fisheries	180
7.3.1	Interactions and the Marine Mammal Protection Act (MMPA)	180
7.3.2	Interactions and the Endangered Species Act (ESA)	183
7.4	Measures to Address Protected Species Concerns	185
7.5	Bycatch of HMS in Other Fisheries	186
7.5.1	Squid Mid-Water Trawl	186
7.5.2	Menhaden Purse Seine Fishery	187
7.5.3	Shrimp Trawl Fishery	187
7.6	Effectiveness of Existing Time/Area Closures in Reducing Bycatch ..	188
7.6.1	Prohibition of Live Bait in the Gulf of Mexico	194
7.6.2	Conclusion	196
7.7	Evaluation of Other Bycatch Reduction Measures	196
8.0	HMS Permits and Tournaments	200
8.1	HMS Commercial Fishing Permits	200
8.2	Atlantic HMS Charter/Headboat Permits	203
8.3	HMS Angling Permit	204
8.4	Dealer Permits	206
8.5	Exempted Fishing Permits (EFPs), Display Permits, Letters of Acknowledgement (LOAs) Chartering Permits, and Scientific Research Permits (SRPs)	209
8.6	Atlantic HMS Tournaments	212
