### EU Import Requirements: Labeling, Rapid Alert System, triangular trade, health and catch certification

Stephane Vrignaud, NOAA Fisheries Representative to the European Union

*One-on-One sessions available upon request [stephane.vrignaud@trade.gov](mailto:stephane.vrignaud@trade.gov)*

## Sunday-Tuesday, March 16-18 - Booth 175

### Seeking Input from Processors to Improve Economic Impact Estimates

If you are a processor, we’d like your input for drafting a new survey to help improve our model that estimates economic impacts for regional economies. Come by the booth to speak with our economists or e-mail them and they can come to you.
